

## Company Background

Established in 1995, CARSQA Limited was formed to offer impartial certification and inspection services to the automotive industry as a leading compliance body. Since then CARSQA has built its client base from having a reputation that you can trust.

Currently we operate throughout the UK and the whole of Ireland. Our accreditation however allows us to operate internationally, you can find out more about this on the UKAS website ([www.ukas.com](http://www.ukas.com)).

Our aim is to continually improve standards and safe working practices within our fields of expertise. Our team of assessors are highly trained and clearly demonstrate their knowledge, skill and expertise on assessments thus giving the client the reassurance that they have been assessed to the highest standard.

CARSQA chose to specialise in the Automotive Industry, as we believe that to truly provide the best service the only way is to focus on one industry sector.
